

Ana Patricia MENDOZA BECERRA

Phone. +1 (314) 398-3910

E-mail: anapatricia.mendoza@gmail.com

EDUCATION

- Aug 2016 – May 2023 University of Missouri – St Louis. Missouri, USA. Department of Biology.
Program of Ecology, Evolution and Systematics. ***PhD in Biology***
- Aug 2016 – May 2020 University of Missouri – St Louis. Missouri, USA. Department of Biology. ***MSc in Ecology, Evolution and Systematics.***
- Mar 2013 – Dec 2013 Universidad Peruana Cayetano Heredia. ***MSc (c) Epidemiological Research***
- May 2009 – May 2010 Universidad of Iowa, Center for Emerging Infectious Diseases. Iowa city, Iowa, USA. ***Certificate in Epidemiology of Emerging Infectious Diseases.***
- May 2005 Universidad Nacional Mayor de San Marcos, Facultad de Medicina Veterinaria. Lima, Peru. ***Veterinarian.***
- Apr 1998 – Dec 2003 Universidad Nacional Mayor de San Marcos, Facultad de Medicina Veterinaria. Lima, Peru. ***BSc in Veterinary Medicine.***

WORK EXPERIENCE & PROFESSIONAL AFILIATIONS

- 2023 – Present, Postdoctoral Fellow, Department of Anthropology, Washington University in St. Louis
- 2017 – Present, Veterinary Research Mentor, Kawsay Biological Station.
- 2015 – Present, Board Member, Neotropical Primate Association Peru.
- 2012-2015, Wildlife Health and Health Policy Program Coordinator in Peru, Wildlife Conservation Society.
- 2010-2014, Peru Country Coordinator for the Emerging Pandemic Threats - PREDICT Program, Wildlife Conservation Society.
- 2009-2010, Veterinary Researcher, Naval Medical Research Center Detachment, Lima, Peru
- 2008-2009, Project Coordinator for the Global Avian Influenza Network Surveillance - GAINS Program, Universidad Peruana Cayetano Heredia, Lima, Peru
- 2007-2008, Research Project Coordinator for the Tambopata Macaw Project, Texas A&M University

IUCN SSC Wildlife Health Specialist Group
Wildlife Disease Association - Latin America Section
American Association of Zoo Veterinarians
Peruvian Association of Primatologists

SELECTED RESEARCH AND FUNDING AWARDS

- 2023 – Present, American Association of Wild and Zoo Veterinarians – Cross-species transmission of herpesvirus in monkeys at rehabilitation facilities in Peru. Principal investigator
- 2016 – 2023, University of Missouri in St. Louis – Disease risk from reintroducing primates recovered from the wildlife trade. Doctoral researcher
- 2014 – 2015, U.S. Fish and Wildlife Service - Building a National Strategy to Combat Wildlife Trafficking in Peru. Project leader
- 2010 – 2014, USAID – Emerging Pandemic Threats – PREDICT: Infectious diseases from the wildlife trade in Peruvian markets. Country coordinator
- 2008 – 2009, U.S. Department of Defense – Surveillance for Avian Influenza in live bird markets of Peru and surrounding South American countries. Crew leader for Peru
- 2007 – 2008, Global Avian Influenza Network for Surveillance – Avian Influenza: Monitoring global threats from the wild bird trade in Peru. Project leader

TEACHING AND MENTORING EXPERIENCE

2010 – 2020: Mentoring of 10 international veterinary students through field research and 6 Peruvian veterinary students towards the completion of their undergraduate thesis by research.

2016 – 2020: Teaching Assistant for the Course Human Anatomy and Physiology at the department of Biology, University of Missouri-St. Louis.

2020: Lecturer for the course Wildlife Conservation Curriculum at the department of Ecology, Universidad Nacional de la Amazonía Peruana.

2012, 2013, 2014: Visiting lecturer for the courses of Veterinary epidemiology and Infectious diseases of animals at the School of Veterinary Medicine, Universidad Peruana Ricardo Palma.

2010, 2014, 2016, 2019: Visiting lecturer for the Diploma in Wildlife Management at the School of Veterinary Medicine, Universidad Nacional Mayor de San Marcos.

2015, 2016, 2019, 2020: Instructor for “Ethics in field and ecological research with wildlife” in the Training Course for Institutional Animal Care and Use Committee officers offered by the Peruvian Association for the Use and Welfare of Animals in Research and Education.
